

Respiratory Therapist Residency

A hands-on opportunity to expand your knowledge and advance your career.

Are you looking for a Respiratory Therapy residency program that invests in YOU, your career, and your future?

The Providence Health Respiratory Residency is a unique opportunity to gain educational and clinical training in areas such as the Emergency Department, Critical Care, and Cardiovascular Recovery.

Program participants obtain specific experience through an intensive program and then transition to staff roles within the Respiratory Care Department at Providence Health.

How to Apply

Applications are currently being accepted.

Apply online at:

YourProvidenceHealth.com/RTResidency

- Program begins September 2021
- RT/CRT certification required
